Transmittal

June 28, 1995

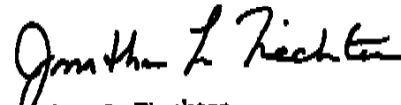

Number: 133

Changes to the Uniform Rules of Practice and Procedure for Administrative Hearings are being proposed by the five federal banking regulators, which first adopted the uniform rules in August 1991.

Most of the proposed changes are technical modifications or clarifications. Two, however, are more substantive: a proposal that clarifies the scope of document discovery, and a proposal that would limit the number of attorneys examining a single witness. These changes are being made by all five agencies.

In addition, OTS is proposing technical changes to its own rules of administrative practice and procedure, including a clarification on the service of a subpoena.

The joint notice of proposed rulemaking was published in the June 23, 1995, edition of the *Federal Register*, Vol. 60, No. 121, pp. 32881-32893. Written comments must be received on or before August 22, 1995, and should be addressed to: Chief, Dissemination Branch, Records Management and Information Policy Division, Office of Thrift Supervision, 1700 G Street, N.W., Washington, DC 20552.
